Dear Students & Parents,

I am thrilled to welcome you all to the new academic session at Pakistan International School Jeddah – English Section (PISJ-ES). As we begin this new year, I hope that our learners feel revitalized, inspired, and ready to conquer the world. Academic Session 2023-2024 brings a lot of exciting opportunities for learning and development across the grade levels that would be unfolded in this voyage.

I would like to convey my profound gratitude to all the parents who have been involved in the PISJ-ES community. The feedback and support, you have provided, have been invaluable as we endeavour to create a nurturing learning environment.

We embed our core values; **Respect, Integrity, Responsibility and Excellence (RIRE)** in everything we do in the school and appreciate our learners to showcase the same in both curricular and extracurricular initiatives. We expect the extended PISJ-ES family constituting students, parents and school staff to respect and uphold these core values in their routine interactions and dealings.

Having access to quality education is a fundamental right of every child. PISJ-ES administration and teachers aim to foster students' aptitudes through an encouraging learning environment built on compelling and captivating activities. We believe this approach empowers students to evolve the skills they require to flourish and become contributing members of the global community. We owe it to our dear students to equip them with the skills and knowledge they need to thrive in an increasingly competitive and intricate world.

In the last academic session, PISJ-ES administered Cambridge Primary & Lower Secondary Checkpoints and Cambridge International IGCSE & A Level Examinations for more than 1300 learners. I am honoured to announce that our students achieved outstanding results in the CAIE Examinations & Checkpoints in 2023. We aim to continue our pursuit of excellence with unbridled passion to achieve extraordinary accomplishments in the current academic session as well.

As we commence the new academic term, I urge our students to endeavour for excellence, shoulder responsibility for their education, and work towards becoming self-sufficient learners.

Together, let's make this another fantastic year for PISJ-ES!
