

Dear Parents,

It is with great pride and pleasure that we announce the launching of our new mobile application and E-school portal. Having acted rapidly upon practical suggestions from many of our existing parents, we have designed this app to gain quick access to child's school information and keep parents up-to-date with how well their children are getting-on at school. The latest school news, school calendars and other helpful information will be available on the app. Parents will receive login credentials on their registered contact numbers.

PISJES MOBILE APP

The Beta Version of PISJES app, available for android and IOS devices, is completely free and very easy to download from links:
