Subject: Middle School Open House – Orientation for Parents

Dear Parents,

As we welcome you to the new academic session 2026-2027, we are pleased to invite you to the **Middle School Open House** – an orientation session designed to give you a clear understanding of the school's systems, learning pathways, academic policies, assessment procedures, and learning cycles for the year ahead.

Day/Date: Sunday, 23rd August 2026

This year, the Open House will follow a new, more structured format:

- **Parents** will proceed directly to the Auditorium, where the School Administration will conduct the orientation covering academic policies, assessment and grading procedures, learning cycles, and other important information for the 2026-2027 session.
- **Students** will follow their regular class timetable. Subject teachers will use this time to orient students to the year's curriculum, expectations, and subject-specific guidelines within their own classrooms.

As this session is delivered once, to all parents together, we strongly encourage full attendance and request that you plan to be present for the entire duration.
