

Dear Parents and Students,

As we begin the Academic Year 2026–2027 at Pakistan International School Jeddah – English Section, I extend my warmest welcome to all our students and parents. A new school year brings renewed hope, fresh opportunities, and the promise of meaningful growth. Together, we step into this journey with shared purpose and a commitment to excellence.

This year, we proudly reinforce our core values of **Respect, Integrity, Responsibility, and Excellence** — the pillars of RIRE. These values guide our conduct, shape our character, and inspire us to become better learners, better citizens, and better human beings.

To our students: You are at the heart of our mission. I encourage you to embrace each challenge with courage, curiosity, and discipline. Let this year be one where you set ambitious goals, uphold the values of RIRE in your daily actions, and strive for academic excellence with determination and pride. Your growth, your achievements, and your well-being remain our highest priority.

To our parents: Your partnership is invaluable. When school and parents work hand in hand, every child thrives. I look forward to your continued support, collaboration, and trust as we work together to nurture confident, responsible, and high-achieving learners. Your involvement strengthens our community and enriches the educational journey of every student.

Last year, our students appeared for Cambridge Primary & Lower Secondary Checkpoints, as well as Cambridge IGCSE and A Level examination. I am proud to share that they performed exceptionally well in the 2026 CIE Exams and Checkpoints. Their achievements reflect their hard work and the tireless efforts of our teachers. We aim to build on this success with renewed enthusiasm in the coming year.

As Principal, I remain fully committed to doing my best — ensuring that our academic standards rise even higher, our learning environment remains safe and inspiring, and our students receive the guidance and opportunities they deserve. With collective dedication, we will make this year remarkable in every sense.

Let us begin this new academic year with positivity, unity, and purpose. May 2026–2027 be a year of achievement, character building, and shared success.

Amna Usman Khan

Principal
